"Instead of debating, what if we talked over coffee about faith, grace, and homosexual people in our community? A wonderful, compelling, and pastoral conversation starter."

- Rev. Martin W. Eldred
Joy Lutheran Church
Eagle River, AK

Over Coffee, is a narrative piece couched in the coffee-house conversation between Dave and a small-town pastor concerning a gay church member who desires to be partnered in the church. Over Coffee warmly introduces the reader to a biblical, faith-based dialogue for providing room on the pew in today's most conservative churches for gay partnered persons.

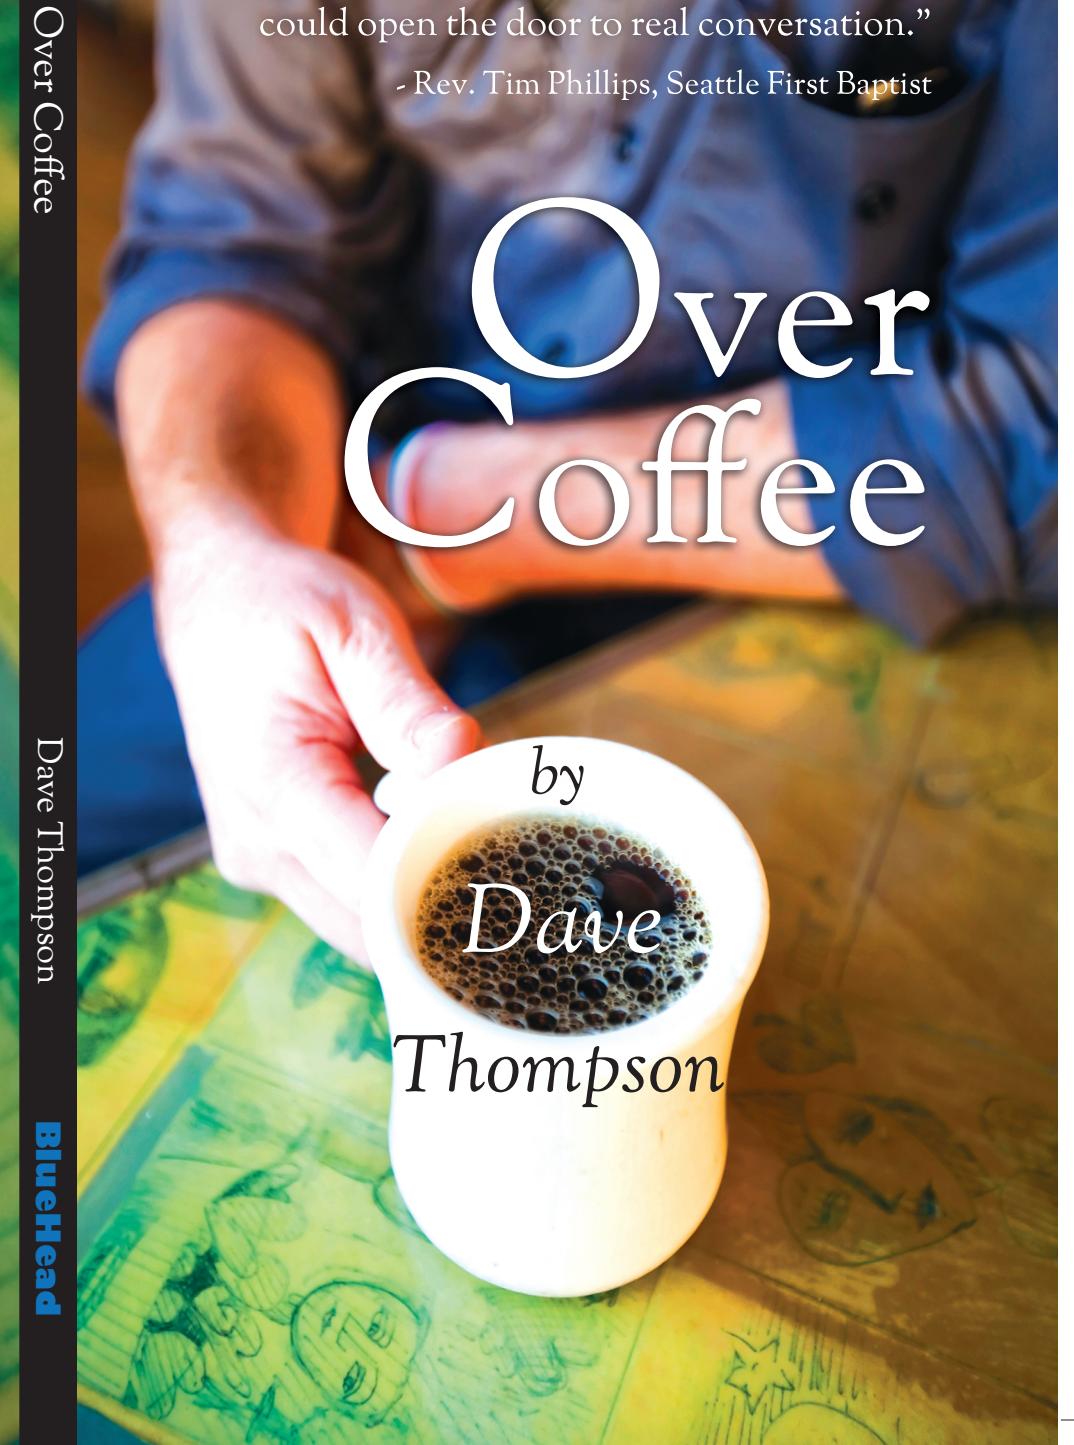

Dave Thompson is a Pacific Northwest author and speaker. Having studied to be a minister and apologist in the conservative faith, Dave brings a discerning understanding of the conservative mind, faith, and framework concerning social issues that are theological and culturally delicate.
